Hi Frank and Margot, ... My set just arrived. Mailing carton in same shape as Frank's description below. Both items are unbroken and lovely to behold. No cracks, no nicks -- ready for "entertaining"! What's next, gang? One question - Should we ask CRI to mark the outer mailing carton as FRAGILE - DO NOT DROP? Especially if they are sent via USPS? There's no outer marking to indicate that the inside contents are breakable. ... deb
